Your estimated portion will be calculated by the benefit deductibles, co-pays, and/or a specific percentage your insurance company has established for your individual policy. A billing fee may be charged to your account if payment is not received at the time services are rendered. Please discuss any need for payment arrangements with our office manager before scheduling an appointment. Please let us know if you have new insurance since your last visit. **WORKERS COMPENSATION AND MOTOR VEHICLE COLLISION INJURIES** Please notify us if you have been injured on the job or in a motor vehicle accident. Worker's compensation does cover necessary chiropractic treatments if your claim has been approved and is currently open. A new claim will require necessary forms to be completed by the patient and the doctor before it will be considered by the worker's compensation department. If your injury claim is not allowed it is your responsibility to pay any outstanding balances. Your auto insurance company will pay for any necessary chiropractic treatment if you had "PIP" coverage (Personal Injury Protection) included in your auto insurance policy at the time of the injury.
